eAIRTEC

eAirtec has set ambitious growth plans. We are committed to total customer satisfaction by identifying specific needs of our customers and dealers and translate them to produce quality products and provide dependable after-sale-services.

We plan to achieve greater heights in our products and services through the team work of our employees, technicians, engineers, sales and marketing teams. Our eAirtec team spares no effort to guarantee the best possible life span and superior quality of our products. Our products are unique, easy to install and comes with the guarantee.

The quality of our products is totally unparalleled and thus we have carved a special place in the heart of our customers as well as our dealers. We are a customer – focused company and building strong customer relation is our top priority. We are sure that our refined products have enough potential to satiate all your fitting needs.

Our innovations and know-how are sure to exceed all your expectations.

FROM DESK OF OUR CHIEF MANAGING DIRECTOR AND FOUNDER

Mr. Manish Nathani, the Director, looks after the key areas of the business. He started his career in the year 2005 in his 42 years old family business Beston. His huge experience in the traditional family business as a Director has immensely contributed to the growth of eAirtec. He had a passion for the cricket game right from his childhood. It gave him the idea of innovation and technology for his brand eAirtec.

With his strong determination and hard work coupled with strategic and meticulous business planning, eAirtec has achieved phenomenal growth in a short span of time.

eAirtec is now going to complete 5 years on Feb 2021.

Achievement ***Achievement***

There are many TV brands in the world. However, there are only a few that have been loved and consistently chosen by the consumers for 5 consecutive years. eAirtec TV has constantly been paving the path forward for technological innovations by offering consumers new TV experiences, defining the future of the global TV industry. This is the core driving force that has made eAirtec #1 for 5 consecutive years. When developing business solutions, eAirtec applies the same innovation to stay ahead of the market, providing a familiar but truly impactful experience without limits.

Our 24 DJ SM TV was Best Seller on Amazon India for consecutive seven months.

The Amazon logo, consisting of the word 'amazon' in a bold, lowercase sans-serif font with a registered trademark symbol, and a curved orange arrow underneath it pointing from the 'a' to the 'z'. The logo is centered within a white rounded rectangular background.
